Please find below and/or attached an Office communication concerning this application or proceeding.

<b>Response to Rule 312 Communication</b>	<b>Application No.</b>	<b>Applicant(s)</b>	
	10/829,436	FAIRLIE ET AL.	
	<b>Examiner</b>	<b>Art Unit</b>	
	Sean P. Shechtman	2125	

-- The MAILING DATE of this communication appears on the cover sheet with the correspondence address --

1. ☒ The amendment filed on 26 October 2006 under 37 CFR 1.312 has been considered, and has been:

- a) ☐ entered.
- b) ☐ entered as directed to matters of form not affecting the scope of the invention.
- c) ☐ disapproved because the amendment was filed after the payment of the issue fee.

Any amendment filed after the date the issue fee is paid must be accompanied by a petition under 37 CFR 1.313(c)(1) and the required fee to withdraw the application from issue.

- d) ☐ disapproved. See explanation below.
- e) ☒ entered in part. See explanation below.

*Claims 98-113, 121-128, 130-132, 134, 135, and 139-141 are acceptable and will be entered because the claims correspond to dependent claims 47-50, 52, 57-66, 80-83, and 85-97 currently allowed by the examiner, see MPEP 714.16(e). Claims 98-113, 121-128, 130-132, 134, 135, 139-141 have been renumbered claims 98-129 to run consecutively with the claims already in the case.*

*Referring to claims 114-120, 129, 133, and 136-138, the claims are not obviously allowable because more than a cursory review of the record is necessary and the amendment would involve materially added work on the part of the Office, e.g., checking excessive editorial changes in the specification or claims. Therefore claims 114-120, 129, 133, and 136-138 will not be entered.*
